

THE MINNESOTA JAYCEES CHARITABLE
FOUNDATION

Hall of Leadership

This prestigious award recognizes former Jaycees, over 40 years of age, who have displayed leadership abilities during their career, and continue the traditions of leadership and service in their profession and community.

Every community has past Jaycees who are worthy of being recognized in the Hall of Leadership. Don't let their achievements go without recognition simply because no one took the Jaycee opportunity to nominate them. Please take time to review the nomination form and to share the information with all of your chapter Jaycee members.

The Hall of Leadership Luncheon will be held in conjunction with the JCI Minnesota Spring All State Convention.

The deadline for Hall of Leadership Nominations is **MARCH 31.**
